Newcomer Families' Access to and Use of Child Care Support Resources in Toronto: Research Methodology

Jiecheng Yang · ECL4111 Research in Early Childhood Studies · Professor Shawnee Hardware · November 6, 2026

A. Methodological sources (research methods and ethics)	7
B. Empirical research (peer-reviewed articles and thesis)	4
C. Government and policy documents	2
Peer-reviewed journal articles (within A and B)	8
Total sources (all cited in text, none uncited)	**13**

A. Methodological Sources (Research Methods and Ethics)

1. Braun, V., & Clarke, V. (2022). *Thematic analysis: A practical guide*. SAGE.

   Type: Methodological book (thematic analysis)
   DOI: Not applicable (book)
   Link: Library catalogue or SAGE (print and e-book)
   Cited: **Timeline of Research Study**: Semantic-level thematic analysis planned for Weeks 6 and 7
   Status: Book; bibliographic details checked

2. Creswell, J. W., & Guetterman, T. C. (2019). *Educational research: Planning, conducting, and evaluating quantitative and qualitative research* (6th ed.). Pearson.

   Type: Research methods textbook
   DOI: Not applicable (textbook)
   Link: Library catalogue or Pearson (print and e-text)
   Cited: **Research Methodology**: Qualitative research gathers detailed accounts from a small number of participants, and attends to context
   Sampling Plan: Purposive and convenience sampling, and a qualitative sample of about 4 to 8 participants
   Status: Course textbook; bibliographic details checked

3. Hall, S., & Liebenberg, L. (2024). Qualitative description as an introductory method to qualitative research for master's-level students and research trainees. *International Journal of Qualitative Methods, 23*.

   Type: Methodological article (peer-reviewed)
   DOI: https://doi.org/10.1177/16094069241242264
   Cited: **Research Design**: Qualitative description studies experiences in their natural setting, and suits projects with limited time and resources
   Status: DOI verified

4. Head, E. (2009). The ethics and implications of paying participants in qualitative research. *International Journal of Social Research Methodology, 12*(4), 335–344.

   Type: Research ethics article (peer-reviewed)
   DOI: https://doi.org/10.1080/13645570802246724
   Cited: **Recruitment Methods**: Rationale for the $25 gift card: payment recognizes participants' time but may influence consent
   Status: DOI verified with publisher

5. Mwita, K. M. (2022). Strengths and weaknesses of qualitative research in social science studies. *International Journal of Research in Business and Social Science, 11*(6), 618–625.

   Type Methodological article (peer-reviewed)
   DOI https://doi.org/10.20525/ijrbs.v11i6.1920
   Cited **Research Methodology**: Constructivist grounding of qualitative research and meaning-making
   Status DOI verified

6. Sandelowski, M. (2000). Whatever happened to qualitative description? *Research in Nursing & Health, 23*(4), 334–340.

   Type Methodological article (peer-reviewed; original source of qualitative description)
   DOI https://doi.org/10.1002/1098-240X(200008)23:4<334::AID-NUR9>3.0.CO;2-G
   Cited **Research Design**: Definition of qualitative description, and the first design rationale (interviews and findings follow families' own accounts)
   Status DOI verified (Wiley, PubMed)

7. Villamin, P., Lopez, V., Thapa, D. K., & Cleary, M. (2025). A worked example of qualitative descriptive design: A step-by-step guide for novice and early career researchers. *Journal of Advanced Nursing, 81*, 5181–5195.

   Type Methodological article (peer-reviewed; worked example)
   DOI https://doi.org/10.1111/jan.16481
   Cited **Research Design**: Findings close to participants' words can inform practice
   Participants: Excluding families with a prior relationship to reduce pressure
   Procedure: Individual interviews over focus groups, and protecting identifiable quotations
   Status DOI verified

B. Empirical Research (Peer-Reviewed Articles and Thesis)

8. Hardware, S., Quiogue, C., Gallo, M., & Avis, M. (2026). Let's talk about race: The use of virtual reality in improving higher education students' understanding of privilege. *Teaching & Learning Inquiry, 14*, 1–22.

   Type Primary research article (peer-reviewed)
   DOI https://doi.org/10.20343/teachlearninqu.14.33
   Cited **Recruitment Methods**: Invitation distributed by someone other than the lead researcher
   Procedure: Online participants may turn off the camera and use a pseudonym
   Status DOI verified; content support acknowledged by the instructor at office hours

9. Ilumin, P. (2023). *Defining quality in early learning and childcare among visible cultural minority families in Edmonton, Alberta* [Master's thesis, University of Alberta]. ERA.

   Type Master's thesis (qualitative descriptive study; not peer-reviewed)
   DOI Not applicable (thesis)
   Link University of Alberta ERA record: https://ualberta.scholaris.ca/items/0eb08257-1405-4722-a251-5fa8f989c99f
   Cited **Research Design**: The same design used with immigrant families' child care experiences
   Procedure: Interviewing in the preferred language so that meaning is not lost
   Status Source confirmed; repository returned HTTP 403 to automated access

10. Massing, C., Gyan, C., Giesbrecht, C. J., Kikulwe, D., & Ghadi, N. (2024). Preferences and challenges in access to childcare programs: A mixed-methods study with newcomers to Canada. *International Journal of Early Childhood, 56*(3), 421–441.

    Type Primary research article (mixed methods; peer-reviewed)
    DOI https://doi.org/10.1007/s13158-023-00375-w
    Cited **Participants**: Definition of a newcomer family (five years or less in Canada)
    Status DOI verified

11. Schmidt, C. (2026). The bordering of care: How exclusions from family support programs impact undocumented mothers and their young children in Canada. *Critical Social Policy*. Advance online publication.

    Type Primary research article (peer-reviewed; advance online)
    DOI https://doi.org/10.1177/02610183261460334
    Cited **Participants**: Fee subsidy tax documents and undocumented families, the reason status questions are not asked
    Status DOI verified with publisher

C. Government and Policy Documents

12. Canadian Institutes of Health Research, Natural Sciences and Engineering Research Council of Canada, & Social Sciences and Humanities Research Council of Canada. (2022). *Tri-Council policy statement: Ethical conduct for research involving humans – TCPS 2 (2022)*.

    Type National research ethics policy
    DOI Not applicable (government document)
    Link Official policy (Panel on Research Ethics): https://ethics.gc.ca/eng/policy-politique_tcps2-eptc2_2022.html
    Cited **Recruitment Methods**: Research Ethics Board approval before contact, and incentives that must not become undue inducements
    Status Official link verified

13. Toronto Children's Services. (2025). *Early years and child care service plan 2025–2030*. City of Toronto.

    Type Municipal service plan
    DOI Not applicable (government document)
    Link Full-text PDF (City of Toronto): https://www.toronto.ca/legdocs/mmis/2025/ec/bgrd/backgroundfile-256726.pdf
    Cited **Participants**: Immigration status and tax-filing requirements can affect fee subsidy eligibility
    Recruitment Setting: Child care settings as access points, and tax-filing requirements as a barrier
    Status Document confirmed on City Council agenda

References are listed in the same APA 7 form as the reference list of the methodology paper, with titles and journal names in italics. "Cited" shows the section of the paper where each source is cited and the methodological decision it supports. In-text citations are paraphrased, so page numbers are not given. DOI links resolve through https://doi.org. Status reflects the source check completed in November 2026.
